Student Name: _____

KAUST ID:

--	--	--	--	--	--	--

This is my

First Attempt

Second Attempt

Third Attempt (after appeal)

Instructions:

- The AP Qualifying Exam (QE) must include four AP core courses.
- The evaluation of the QE is determined by the student performance in the selected courses final exam.
- The minimum score required in the final exam to earn a **Pass** grade in the subject of the QE is 75%.
- In case of **Fail**, student has one month to complete the second written attempt of the QE.
- Student must fill out this form and get the examiners signatures then submit it to GPC after every attempt regardless of the outcome.

More Details about AP Qualifying Exam on AP Academics webpage.
